30-Day Art Challenge Tracker

HARDER

For Huevember, NaNoDrawMo, Posevember, Folktale Week or your own. Write today's prompt, make something, tick it.

HOW IT WORKS

1. Write today's prompt in the box.
2. Make something: a drawing, a painting, a sketch.
3. Colour a circle. Both count the same.

Both circles count the same: a 5-minute sketch on a busy day is a finished day. Missed one? Do today's prompt, skip the old one. Miss once, never twice.
