How it works

1. Read today's prompt.
2. Take one photo. Any camera, any style.
3. Colour a circle. Both count the same.

Both circles count the same: no idea for today's prompt? Any photo of your day is a finished day. Missed one? Shoot today, skip the old one. Miss once, never twice.

31 Days in Photos

Stick a printed photo, sketch it, or write one line about it. One frame per day.
