Whamageddon Survival Tracker

HARDER

Get through December 1–24 without hearing the original "Last Christmas". Tick every day you're still in.

THE RULES

1. Dec 1 to the end of Dec 24, your local time.
2. Only the original Wham! version counts. Covers and remixes are safe.
3. Recognise it and you're out. Welcome to Whamhalla.

Danger zones I'll watch

- ◯ Supermarkets & malls
- ◯ Office or school party
- ◯ Short videos & ads
- ◯ Cafés & bars
- ◯ The radio & taxis
- ◯ Friends with a playlist

It's a survival game, not a battle: please don't play it to your friends on purpose. Headphones are allowed. Lyrics aren't printed here, on purpose.

Survive until Christmas Eve.
